Sinewy, thick and meaty on the palate, it shows integrated oak and tannin alongside forceful flavors of spicy plum and mocha.

Silver Ghost
Cabernet Sauvignon
Napa Valley 2017

The 2017 Cabernet Sauvignon is very nicely done. Medium in body and silky with fine balance, the 2017 offers plenty of near- and medium-term appeal. Sweet red cherry, raspberry, cedar, spice and floral notes all open up in the glass. This is a fairly delicate style for the year but it all works well.
