Silver Ghost is a full-bodied and richly expressive Cabernet Sauvignon crafted from some of Napa Valley's finest vineyards. Deep in color with a vibrant nose of blueberries, violets and crème de cassis the palate reveals layers of lush red and blue fruits, mocha and dark spice. The luxurious texture and depth continue through the long finish.

SILVER GHOST founder Weston Eidson's great-grandfather, John Montagu, was a pioneer in the emerging automobile industry at the turn of the 20th century. As a British Lord and Member of Parliament, he was an instrumental figure in early automotive legislation. Montagu had a close relationship with Charles Rolls and Henry Royce, and suggested that his assistant serve as the model for the Rolls-Royce hood ornament, the Spirit of Ecstasy, which we still see on Rolls-Royce cars to this day. As a tribute to his family's illustrious past, Weston adopted the name of his great-grandfather's favorite car - the 1909 Rolls-Royce Silver Ghost.
